

ESSENTIAL FEEDS
Expert Guidance. Innovative Products. Superior Results.

Lamb Feed & Supplements

Lamb Feeds

Essential Lamb Feeds are designed to provide the best possible development of the muscle and structure of your lamb thus providing a **Trim Body, Firm Touch, a Developed 3 Dimensional Look, and Show Ring Appeal.**

- Steam flaked corn – better digestibility
- Amaferm to improve the digestive efficiency leading to better muscle development
- Organic zinc for hoof health
- Soluble fiber and yeast for rumen health and improved digestion
- Medicated with Bovetec to aid in the prevention of coccidiosis.
- Ammonium Chloride to aid in the prevention of urinary calculi
- Extremely high levels of Omega 3 and Omega 6 fatty acids to let your animal shine

Essential® 417

Extremely palatable textured feed for starting and growing show lambs to put more width of body and more cover in a lamb. Bypass fat allows the fat content of 417 to be directly absorbed by your lamb rather than utilized in the rumen.

Essential 417 will help flesh up your lamb even while on an intense exercise program.

18% protein, 5% fat, 14.5% fiber

Whether you need more muscle, extra cover, bloom or more pop at show time, Essential's Lamb Additives provides you with the customizability to help get you into the winner's circle.

Essential Touch Tone

Builds muscle in 6 different ways!

1. Signals the body to produce muscle
2. Stimulates Appetite - *Keeps them eating*
3. More Endurance - *Get more out of your exercise program*
4. Increased (oxygen) Circulation - *Wheat Germ Oil*
5. Provides Limiting Amino Acids
6. Better Feed Efficiency - *More energy for muscles*

Essential Uni4M

A fat and energy supplement for swine, goat, sheep, and cattle

1. Puts on a more "uniform" cover
2. High levels of natural antioxidants (Vitamin E and Vitamin C)
3. Thick, so it easily sticks to pellets (easily drenched as well)
4. Very palatable to all species

50% fat, 32000 IU/lb Vit A, 800 mg/lb Vit C, 8000 IU/lb Vit D, 80 IU/lb Vit E

Essential Composure

Calming Supplement for Cattle, Sheep, Goats or Pigs

Available in liquid and paste form!

1. Stimulates the production of a hormone that helps start the sleep cycle, thus making them relax.
2. Thiamine helps as a natural "tranquilizer". It will help your animal overcome any anxiety it has from showing or moving.
3. High concentrations of readily absorbable magnesium has a calming effect on the nervous systems.

Sasquatch

Melatonin Supplement

Supplement Facts Serving Size 1 ml (1/5 tsp)

Melatonin.....3 mg
Biotin.....1/2 mg

Essential Express O

A concentrated muscle builder for swine, goat, sheep, and cattle

2. Does NOT create structural damage
3. Can add a slight increase in weight gain.
4. Antioxidants to promote healthy muscle growth

Essential Sheep & Goat DFM

Maintain appetite during heat stress and the stress of showing

1. Zinc Amino Acid Chelate to keep hooves healthy
2. Yeast Culture to improve digestion
3. Brewers yeast to provide trace nutrients
4. Sodium Bicarbonate to help maintain a steady rumen pH
5. Thiamine to help prevent polio
6. Direct Fed Micro'bials to keep the animal on feed and improves intestinal health
7. B12 for Appetite
8. Fortified with Selenium and Vitamin E to prevent white muscle disease

Lamb Additives cont...

Essential Keep'n On

Provides "Show" Appearance

Keep'n On expands the rib cage and drops the flank of your animal with the muscle pop expected for the show ring.

More Fill, Less Weight

Keep'n On provides the same fill as 8 lbs of water (1 gallon) at only 1/16 the weight.

Energy For The Arena

Keep'n On provides energy in two forms to help sustain the performance of your animal in the show ring.

Vitamin & Minerals

Moving On & Keep'n On contains 12 vitamins and 9 minerals to provide your animals with their nutritional requirements; including Vitamin A, Vitamin B12, Vitamin D3, Vitamin E, Thiamine, Choline and much more.

Essential Body Builder

Provides increased shape and a full gut appearance

1. Increased "Rack" Size
2. Increased Muscle Definition
3. High milk content for increased bloom
4. Specially formulated for sheep with balanced bypass protein
5. High levels of Omega 3 Fatty Acids
6. Brewers yeast for enhanced digestion and a natural source of vitamins and minerals
7. Contains Albion® Chelated Minerals
8. Advanced Electrolyte System for increased muscle size

31% protein and 8% fat

Essential Revive

Muscle Expression

Hydrates the muscle cells right before the show, giving the muscles "Pop" - freshening the top and improving expression.

Show Project Hydrated

Protects against stress and keeps your project hydrated and healthy. Keeps your animal drinking

Electrolytes

Replenishes electrolytes lost in daily activity.

Essential Relax Fit

All-Natural Calm

Essential Relax Fit uses a variety of natural calming agents in high concentrations to provide your animal with a lasting calm (No withdrawal needed).

Easy to feed pellet

Essential X-Pand-O

Provides increased shape and a full gut appearance

1. Produces and Expanded Look
2. Maintains a Full gut with growth
3. Keeps a fresh look to your animal

Glisten

Cleans the animal and puts a shine on the Coat. (Does NOT contain oil)

Application

Spray on the hair and blow or rub in. (provides bulk & thickness to the hair)
